NEW YORK YMCA
WINTER CAMP

How do you make Winter Sleepaway Camp even more fun? Just add snow! For our lucky crew of winter camp kids, six beautiful inches of snow arrived shortly after they did. Campers and counselors alike enjoyed a whole host of outdoor fun including tubing down the big hill, building snow people, hiking through the quiet winter woods, and more. After warming up by a roaring fire and sipping hot chocolate, lots of fun was had indoor as well—playing gaga and basketball in the field house, making awesome crafts, learning about nature, and even building a huge castle out of cardboard boxes. Best of all, campers competed in a week long BATTLE OF THE BUNKS--earning points for their cabin in raucous cheer wars, goofy skits & contests, and hilarious team challenges. Sorry you missed out on the fun? Don’t worry! Winter family camp is right around the corner!
